- All members of the Academy Trust, staff, students and parents should have an understanding of what bullying/ harassment is and what the school's procedures are for responding to bullying/ harassment.

- Being afraid to use the internet or mobile phone
- Becoming nervous and jumpy when a cyber-message is received
- Giving improbable excuses for any of the above
- These signs and behaviours could indicate other problems, but bullying/ harassment should be considered a possibility and should be investigated. Other signs may also manifest themselves not sited here.
- Starts to bully or harass other children or siblings

How we respond to Bullying

The responsibility of the Academy Trust

Changing the attitudes of those who bully

Changing the attitude and behaviour of students who bully will play a major part in the strategies used by the School.

Parents

The school will encourage all parents to immediately contact the school if bullying is suspected. Parents will be encouraged to talk about the signs and symptoms and any suspicions they have regarding those carrying out the bullying.

Parents should encourage their child to talk to an appropriate member of staff in the first instance, or a student trained in antibullying.

Students

The school will encourage all students who think they are being bullied to tell an adult, parent or a member of staff and to explain what form the bullying/ harassment is taking and how it affects them. Students will be encouraged to report possible incidents of bullying/ harassment to an adult parent or other member of staff.

The processes and strategies that the school will use in tackling incidents of bullying / harassment

If bullying/ harassment is reported to a member of staff they must record the details as presented to them on an incident log or file and pass these on to the designated staff member. No promise of confidentiality can be given.

In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem. All incidents of bullying are kept in a year log and in the Safeguarding file. If necessary and appropriate, police will be consulted or involved.

Resolving the Issues

Students who have been bullied will be supported by:

- Offering an immediate opportunity to discuss the experience with an appropriate member of staff of their choice
- Reassuring the student
- Offering continuous support with a designated member of staff
- Restoring self-esteem and self-confidence
- Referral to a Peer Mentor if appropriate
- Referral to a counsellor
- Offering continuous support and advice to parents (this may be a referral to Early Help)
- Being informed about the outcome of the investigation in to their concerns
- Aspire Mentor
- Youth Worker

- School Nurse

Students who have been bullied will be helped by:

- Discussing what happened
- Discovering why the student became involved
- Establishing the wrong-doing and the need for change
- Informing parents to help change the attitude of the student

Strategy to be used in resolving the issue

Changing the attitude and behaviour of bullies will be part of the responsibility of the positive procedures used by the school. However, the school recognises that sanctions will also have to be used against bullies.

1. Following a reported incident staff will investigate using the school’s ‘3R Strategy’ strategy, with the support of other members of staff as appropriate:
 - **Reflection** – What has happened? Could it have been different?
 - **Resolution** – How can we try to ensure this doesn’t happen again?
 - **Reconciliation** – How we put things right between those involved?
2. Time out/ reflection time may be used if deemed appropriate. The level of time out will be
3. determined by the success of process and at the discretion of the member of staff involved.
4. Referral to a counsellor (if necessary) - Youth Team/outside agencies
5. Attendance at a mediation (restorative justice) meeting with the affected student to resolve issues
6. and prevent recurrence
7. 5. If a student continues to inform that they are being bullied, they should be provided with a log book to record this and further investigation must take place

Sanctions

Students who have bullied will be punished appropriately according to their behaviour, in accordance with the School’s Behaviour for Learning policy. For persistent offenders or incidents considered as gross acts of aggression, a student may be permanently excluded.

Complaints

If a parent or carer is dissatisfied with the response made by the School following a reported incident of bullying/ harassment, he/she may make a complaint in accordance with the School’s Complaints Policy.

Equal Opportunities

In implementing this policy all members of staff must take into account the School’s Equal Opportunities policy. Staff must ensure that no student involved in any incident of bullying/ harassment is disadvantaged on the grounds of gender, race, disability, sexual orientation, age, religion or belief.

Monitoring, Evaluation and Review

Great Schools Trust will review this policy at least every two years and assess its implementation and effectiveness.
